Zenith ID Concept Sdn. Bhd. is a Malaysian company dealing specifically with interior and exterior design. We offer a comprehensive selection of solutions in the form of interior and commercial design. Furthermore, our expertise are in planning, renovation and construction, as well as custom-made furniture and soft furnishings.

Our design philosophy is simple. We work by taking the core of a client's vision and concept, and producing a solution that focuses on simplicity, warmth and individualism. No two projects of ours are similar in that we create our designs taking each respective clients needs in to consideration.

mission statement

Zenith ID Concept Sdn. Bhd. exists to serve our clients and assist them in developing concepts and designs that suit their needs. We look at our clients as the central core of each project and use our experience and expertise to work around this core to produce quality and aesthetically unique designs be they for homes, offices or retail stores that is versatile, stylish and affordable. This same quality and dedication has extended to our recent entry into the realm of construction and we strive to uphold our core values in order to exceed our clients' expectations while aiming to establish ourselves as a well-rounded organization with a diverse range of expertise.

Due to the nature of interiors and exteriors, our design focuses heavily on functionality as we feel that this factorise what create a simpler and more pleasing ambience. Our design is fluid and individualistic, allowing us to ensure that we are able to personalise each project to suit each client. The philosophy of harmony is also the foundation of our products. This fits in with our ethos to ensure that each space we design remains warm and welcoming to visitors of our client's homes, offices or stores.
